**IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR
THE 2019 ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON
TUESDAY, MAY 21, 2019**

This proxy statement and our 2018 Annual Report to Stockholders are available at www.proxyvote.com.

ABOUT THE ANNUAL MEETING

Why did I receive these materials?

Our Board of Directors is soliciting proxies for the 2019 annual meeting of stockholders. You are receiving a proxy statement because you owned shares of our common stock on March 22, 2019 and that entitles you to vote at the meeting. By use of a proxy, you can vote whether or not you attend the meeting. This proxy statement describes the matters on which we would like you to vote and provides information on those matters so that you can make an informed decision.

What information is contained in this proxy statement?

The information in this proxy statement relates to the proposals to be voted on at the annual meeting, the voting process, our Board and Board committees, the compensation of directors and executive officers and other information that the SEC requires us to provide annually to our stockholders.

If I previously signed up to receive stockholder materials, including proxy statements and annual reports, by mail and wish to access these materials via the Internet or via electronic delivery in the future, what should I do?

If you have previously signed up to receive stockholder materials, including proxy statements and annual reports, by mail, you may choose to receive these materials by accessing the Internet or via electronic delivery in the future, which can help us achieve a substantial reduction in our printing and mailing costs. If you choose to receive your proxy materials by accessing the Internet, then before next year's annual meeting, you will receive a Notice of Internet Availability of Proxy Materials when the proxy materials and annual report are available over the Internet. If you choose instead to receive your proxy materials via electronic delivery, you will receive an email containing the proxy materials.

If your shares are registered in your own name (instead of through a broker or other nominee), sign up to receive proxy materials in the future by accessing the Internet or via electronic delivery by visiting the following website: www.proxyvote.com.

[Table of Contents](#)

Your election to receive your proxy materials by accessing the Internet or by electronic delivery will remain in effect for all future stockholder meetings unless you revoke it before the meeting by following the instructions on the enclosed proxy card or by calling or sending a written request addressed to:

Ruth's Hospitality Group, Inc.
Attn: Alice G. Givens
1030 W. Canton Avenue, Suite 100
Winter Park, Florida 32789
(407) 333-7440

If you hold your shares in an account at a brokerage firm or bank participating in a "street name" program, you can sign up for electronic delivery of proxy materials in the future by contacting your broker or following the instructions on the enclosed form.

How can I obtain paper copies of the proxy materials, 10-K and other financial information?

Stockholders can access the 2019 proxy statement, Form 10-K and our other filings with the SEC as well as our corporate governance and other related information on the Investor Relations page of our website at www.rhgi.com.

If you elected to receive our stockholder materials via the Internet or via electronic delivery, you may request paper copies by written request addressed to:

Ruth's Hospitality Group, Inc.
Attn: Alice G. Givens
1030 W. Canton Avenue, Suite 100
Winter Park, Florida 32789
(407) 333-7440

We will also furnish any exhibit to the Form 10-K if specifically requested.

Who is entitled to vote at the meeting?

Holders of common stock, as of the close of business on the record date, March 22, 2019, will receive notice of, and be eligible to vote at, the annual meeting and at any adjournment or postponement of the annual meeting. At the close of business on the record date, we had outstanding and entitled to vote 30,447,150 shares of common stock.

How many votes do I have?

Each outstanding share of our common stock you owned as of the record date will be entitled to one vote for each matter considered at the meeting. There is no cumulative voting.

Who can attend the meeting?

Only persons with evidence of stock ownership as of the record date or who are invited guests of the Company may attend and be admitted to the annual meeting of the stockholders. Stockholders with evidence of stock ownership as of the record date may be accompanied by one guest. Photo identification will be required (a valid driver's license, state identification or passport). If a stockholder's shares are registered in the name of a broker, trust, bank or other nominee, the stockholder must bring a proxy or a letter from that broker, trust, bank or other nominee or a recent brokerage account statement that confirms that the stockholder was a beneficial owner of shares of stock of the Company as of the record date. Since seating is limited, admission to the meeting will be on a first-come, first-served basis. Registration will begin at 12:00 noon, and seating will begin at 12:30 P.M. For directions to the meeting, please call Alice Givens at (407) 829-3451.

Cameras (including cell phones with photographic capabilities), recording devices and other electronic devices will not be permitted at the meeting.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of the shares of common stock outstanding on the record date will constitute a quorum, permitting the conduct of business at the meeting.

Proxies received but marked as abstentions and broker non-votes, if any, will be included in the calculation of the number of votes considered to be present at the meeting for the purposes of a quorum, provided, with regard to broker non-votes, that at least one matter to be voted upon is considered routine such that discretionary authority is available for that matter.

[Table of Contents](#)

How do I vote?

If you are a holder of record (that is, your shares are registered in your own name with our transfer agent), you can vote either in person at the annual meeting or by proxy without attending the annual meeting. We urge you to vote by proxy even if you plan to attend the annual meeting so that we will know as soon as possible that enough votes will be present for us to hold the meeting. If you attend the meeting in person, you may vote at the meeting and your proxy will not be counted. You can vote by proxy by any of the following methods.

Voting by Telephone or Through the Internet. If you are a registered stockholder (that is, if you own shares in your own name and not through a broker, bank or other nominee that holds shares for your account in a “street name” capacity), you may vote by proxy by using either the telephone or Internet methods of voting. Proxies submitted by telephone or through the Internet must be received by midnight Eastern Time on May 20, 2019. Please see the proxy card for instructions on how to access the telephone and Internet voting systems.

Voting by Proxy Card. Each stockholder electing to receive stockholder materials by mail may vote by proxy by using the accompanying proxy card. When you return a proxy card that is properly signed and completed, the shares represented by your proxy will be voted as you specify on the proxy card.

If you hold your shares in “street name,” you must either direct the bank, broker or other record holder of your shares as to how to vote your shares, or obtain a proxy from the bank, broker or other record holder to vote at the meeting. Please refer to the voter instruction cards used by your bank, broker or other record holder for specific instructions on methods of voting, including by telephone or using the Internet.

Our Board of Directors has designated Michael P. O'Donnell and Arne G. Haak, and each or any of them, as proxies to vote the shares of common stock solicited on its behalf.

Your shares will be voted as you indicate. If you return the proxy card but you do not indicate your voting preferences, then your shares will be voted in accordance with the Board's recommendations for each proposal. Our Board and management do not intend to present any matters at this time at the annual meeting other than those outlined in the notice of the annual meeting. Should any other matter requiring a vote of stockholders arise, stockholders returning the proxy card confer upon the individuals designated as proxies discretionary authority to vote the shares represented by such proxy on any such other matter in accordance with their best judgment.

Can I change my vote?

Yes. If you are a stockholder of record, you may revoke or change your vote at any time before the proxy is exercised by filing a notice of revocation with the secretary of the Company, mailing a proxy bearing a later date, submitting your proxy again by telephone or over the Internet or by attending the annual meeting and voting in person. For shares you hold beneficially in “street name,” you may change your vote by submitting new voting instructions to your broker, bank or other nominee or, if you have obtained a legal proxy from your broker, bank or other nominee giving you the right to vote your shares, by attending the meeting and voting in person. In either case, the powers of the proxy holders will be suspended if you attend the meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

How are we soliciting this proxy?

We are soliciting this proxy on behalf of our Board of Directors and will pay all expenses associated with this solicitation. We have retained Saratoga Proxy Consulting LLC to assist in the solicitation of proxies at an estimated cost of \$6,500 plus expenses. In addition to mailing these proxy materials, certain of our officers and other employees may, without compensation other than their regular compensation, solicit proxies through further mailing or personal conversations, or by telephone, facsimile or other electronic means. We will also, upon request, reimburse brokers and other persons holding stock in their names, or in the names of nominees, for their reasonable out-of-pocket expenses for forwarding proxy materials to the beneficial owners of our stock and to obtain proxies.

Will stockholders be asked to vote on any other matters?

To our knowledge, stockholders will vote only on the matters described in this proxy statement. However, if any other matters properly come before the meeting, the individuals designated as proxies for stockholders will vote on those matters in the manner they consider appropriate.

[Table of Contents](#)

What vote is required to approve each item?

Directors will be elected by a majority of the votes cast at the meeting, in person or by proxy, which means that a nominee for director will be elected to the Board of Directors if the votes cast “FOR” the nominee’s election exceed the votes cast “AGAINST” such nominee’s election. Abstentions and broker non-votes are not considered votes cast for the foregoing purpose, and will have no effect on the election of nominees. You may not cumulate your votes for the election of directors. If a director nominee fails to receive “FOR” votes representing at least a majority of votes cast and is an incumbent director, our amended and restated Certificate of Incorporation requires the director to promptly tender his or her resignation to our Board of Directors, subject to acceptance by our Board. The Nominating and Corporate Governance Committee of our Board will then recommend to our Board, and our Board will decide, whether to accept or reject the tendered resignation, or whether other action should be taken.

The approval of the advisory vote on our named executive officer compensation, commonly referred to as a “say-on-pay” resolution, is non-binding on the Board of Directors. Approval requires the affirmative vote of the majority of the votes present, in person or by proxy, and entitled to vote at the meeting. Abstentions will have the same effect as a vote “AGAINST” this proposal, and broker non-votes will have no effect on the vote for this proposal. Although the vote is non-binding, the Board of Directors and the Compensation Committee will consider the voting results in connection with their ongoing evaluation of our compensation program.

The ratification of the appointment of KPMG LLP to serve as the Company’s independent auditors for fiscal 2019 requires the affirmative vote of the majority of the votes present, in person or by proxy, and entitled to vote at the meeting. Abstentions will have the same effect as a vote “AGAINST” this proposal, and broker non-votes will have no effect on the vote for this proposal.

How are votes counted?

In the election of directors, you may vote “FOR,” “AGAINST” or “ABSTAIN” with respect to each of the nominees. Abstentions and broker non-votes are not counted as votes cast for purposes of the election of directors and, therefore, will have no effect on the outcome of the election. For the advisory resolution on our named executive officer compensation and the ratification of the appointment of KPMG to serve as the Company’s independent auditors for fiscal 2019, you may vote “FOR,” “AGAINST” or “ABSTAIN.” Abstentions are considered to be present and entitled to vote at the meeting and, therefore, will have the effect of a vote against the advisory resolution on our named executive officer compensation and the appointment of KPMG LLP to serve as the Company’s independent auditors for fiscal 2019.

If you hold your shares in street name, the Company has supplied copies of its proxy materials for its 2019 annual meeting of stockholders to the broker, bank or other nominee holding your shares of record and they have the responsibility to send these proxy materials to you. Your broker, bank or other nominee is permitted to vote your shares on the appointment of KPMG LLP as our independent auditor without receiving voting instructions from you. In contrast, the election of directors and the advisory votes on our named executive officer compensation are “non-discretionary” items. This means brokerage firms that have not received voting instructions from their clients on these proposals may not vote on them. These so-called “broker non-votes” will be included in the calculation of the number of votes considered to be present at the meeting for purposes of determining a quorum, but will have no effect on the outcome of the vote for directors or the advisory named executive officer votes.

What happens if a nominee for director declines or is unable to accept election?

If any nominee should become unavailable, which is not anticipated, the persons voting the accompanying proxy may vote for a substitute nominee designated by our Board or our Board may reduce the number of directors.

What should I do if I receive more than one set of voting materials?

You may receive more than one set of voting materials, including multiple copies of this proxy statement, proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a stockholder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please vote your shares applicable to each proxy card and voting instruction card that you receive.

Where can I find the voting results of the annual meeting?

The Company intends to announce the preliminary voting results at the annual meeting and publish the final results in a Form 8-K within four business days following the annual meeting.

**PROPOSAL NO. 1
ELECTION OF DIRECTORS**

General

The Company's amended and restated Certificate of Incorporation provides that the number of directors shall be fixed from time to time by resolution adopted by the affirmative vote of a majority of the total number of directors then in office. The number of authorized directors as of the date of this proxy statement is seven. Our Board currently is composed of eight directors, with each director serving until the next annual meeting or until his or her successor is elected. The eight candidates nominated by our Board for election as directors at the 2019 annual meeting of stockholders are also identified below. Marie L. Perry was appointed to the Board effective August 24, 2018 and is standing for election to the Board at the annual meeting upon the recommendation of the Nominating and Corporate Governance Committee. Our Board of Directors recommends a vote FOR the election of each of the eight candidates nominated for director by our Board listed above.

**PROPOSAL NO. 2
ADVISORY VOTE TO APPROVE NAMED EXECUTIVE OFFICER COMPENSATION**

In accordance with Section 14A of the Exchange Act, we are asking our stockholders to approve, on an advisory basis, the compensation of the executive officers named in the Summary Compensation Table under “Executive Compensation” of this proxy statement, who we refer to as our “named executive officers.” While this vote, known as a say-on-pay vote, is non-binding, Ruth’s values the opinions of our stockholders and will carefully consider the outcome of the vote when making future compensation decisions.

In considering the Company’s executive compensation programs, we urge you to carefully consider the information included in the “Executive Compensation” section of this proxy statement, including the “Compensation Discussion and Analysis,” which describes in detail our executive compensation programs and the decisions made by the Compensation Committee with respect to the fiscal year ended December 30, 2018.

Program Design and Philosophy

Our executive compensation programs are designed to attract, motivate, and retain our executive officers, each of whom is critical to our success. As we describe in the Compensation Discussion and Analysis in this proxy statement, our executive compensation programs embody a pay-for-performance philosophy that supports our business strategy and aligns the interests of our executives with our stockholders. In particular, our executive compensation programs are designed to:

- reinforce a results-oriented management culture with total executive compensation that varies according to performance;
- focus executive officers on both annual and long-term business results with the goal of enhancing stockholder value;
- align the interests of our executives and stockholders; and
- provide executive compensation packages to attract, retain and motivate individuals of the highest qualifications, experience and ability.

The Board believes that the executive compensation as disclosed in the Compensation and Disclosure Analysis, the accompanying tables and other disclosures in this proxy statement is consistent with our pay-for-performance compensation philosophy and aligns with the pay practices of our executive compensation peer group. Further, the Board believes that the Company’s commitment to linking compensation and the achievement of our near- and long-term business goals has helped drive our performance over time, without encouraging excessive risk-taking by management. Highlights from the results of our fiscal year ended December 30, 2018 include the following:

- Total revenues up 9.0% to \$452.3 million, compared to \$414.8 million in 2017.
- Comparable restaurant sales growth of 1.4%, marking our ninth consecutive year of comparable restaurant sales growth.
- GAAP diluted earnings per share up 42.2% to \$1.38, compared to \$0.97 in 2017.
- Opened three new restaurants in 2018 and integrated into our system the six Hawaii restaurants which were acquired at the end of 2017.
- Returned \$32 million in capital to stockholders, through share repurchases of \$18.5 million and dividends of \$13.5 million.

For the reasons described above, as discussed more fully in the Compensation and Disclosure Analysis, the Board of Directors recommends that stockholders vote to approve the following non-binding advisory resolution:

RESOLVED, that the compensation paid to the Company’s named executive officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the compensation discussion and analysis, the compensation tables and any related material disclosed in this proxy statement, is hereby approved.

Effect of Proposal

As an advisory vote, this proposal is not binding; however, our Compensation Committee and Board of Directors value the opinions expressed by our stockholders in their vote on this proposal and will consider the outcome of the vote when making future compensation decisions for named executive officers.

Our Board of Directors recommends that stockholders vote to approve the compensation of our named executive officers by voting “FOR” Proposal No. 2.

**PROPOSAL NO. 3
RATIFICATION OF THE APPOINTMENT OF KPMG LLP**

Our Audit Committee has appointed KPMG LLP as our independent registered public accounting firm for fiscal year 2019 and has further directed that our Board submit the selection of KPMG LLP for ratification by the stockholders at the annual meeting. During fiscal year 2018, KPMG LLP served as our independent registered public accounting firm and also provided certain audit-related and tax services as described below. The stockholder vote is not binding on our Audit Committee. If the appointment of KPMG LLP is not ratified, our Audit Committee will evaluate the basis for the stockholders' vote when determining whether to continue the firm's engagement, but may ultimately determine to continue the engagement of the firm or another audit firm without re-submitting the matter to the stockholders. Even if the appointment of KPMG LLP is ratified, our Audit Committee may, in its sole discretion, terminate the engagement of the firm and direct the appointment of another independent auditor at any time during the year if it determines that such an appointment would be in the best interests of the Company and our stockholders.

Representatives of KPMG LLP are expected to attend the annual meeting, where they will be available to respond to appropriate questions and, if they desire, to make a statement.

**Our Board recommends a vote FOR the ratification of the appointment of KPMG LLP as
our independent registered public accounting firm for fiscal year 2019.**

BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Board Composition and Refreshment

Our Board is responsible for the oversight and continued success of our company, which was founded in 1965 by a single working mother, Ruth Fertel, and which is now led for the first time since Ruth Fertel by a female President and Chief Executive Officer. Our core values reflect our roots in the legacy of Ruth Fertel and include a commitment to attracting a broad range of skills and experiences to our Board, our executive team and our team members across the Company, all rooted in a commitment to providing the best steak house experience to our guests.

As a group, our director nominees have broad skills and experience. A majority of our directors have served as chief executive officer of a public or private company. Over sixty percent of our directors are female. Our directors range in age from 45 to 68 with the average being 58 years of age. As a group, they possess a range of important skills including hospitality industry experience, corporate strategy, accounting and finance leadership, international operations and real estate experience.

Our Board has been meaningfully refreshed, with four of our six independent directors joining the board since 2016. We believe this reflects a good mix of new directors, who bring fresh perspectives, and tenured directors, who have contributed to developing our strategy over time and who possess an in-depth knowledge of our history and operations. A majority of non-management directors ensures robust debate and objectivity in the boardroom, while diversity of gender, age and ethnicity contributes to a diverse range of views.

Board Leadership Structure

Our Board does not have a policy on whether the same person should serve as both the Chief Executive Officer and Chairman of the Board or, if the roles are separate, whether the Chairman should be selected from the non-employee directors or should be an employee. Our Board believes that it should have the flexibility to periodically determine the leadership structure that it believes is best for the Company.

During 2018, we completed a multi-year succession planning process which culminated in the election of Cheryl J. Henry to the board of directors and to the position of President and Chief Executive Officer. As part of this planned executive transition, the Board elected Michael P. O'Donnell to the position of Executive Chairman of the Company. Robin P. Selati continues to serve as our Lead Director.

Our Board believes that this structure is appropriate given Mr. O'Donnell's past experience serving as our chief executive officer and as chairman of the board. Mr. O'Donnell has provided guidance to Ms. Henry in the past as her responsibilities have increased, and he will continue to be available as Executive Chairman. Mr. O'Donnell will also continue his leadership role with the Board of Directors as Chairman.

The Executive Chairman and the Chief Executive Officer consult periodically with the Lead Director on Board matters and on issues facing the Company. In addition, the Lead Director serves as the principal liaison between the Executive Chairman, the Chief Executive Officer and the independent directors and presides at executive sessions of non-management directors at regularly scheduled Board meetings. Our Board believes that these executive sessions are beneficial to the Company because it provides a forum where the independent directors can discuss issues without management present.

Board Evaluation Process

Our Board expanded our evaluation process in 2018 to ensure it continued to be robust and vigorous. The Nominating and Corporate Governance Committee oversees the evaluation process and selected an external facilitator to assist with this year's process. This facilitator spoke privately with each board member to identify areas where the Board and each Committee are most effective and to identify opportunities for further development or improvement. The results of these conversations were shared and discussed during executive session and changes were considered and implemented, as appropriate.

Board Role in Risk Oversight

Our Board is actively involved in the oversight of risks that could affect the Company. This oversight is conducted primarily through committees of our Board, as disclosed in the descriptions of each of the committees below and in the charters of each of the committees. However, the full Board has retained responsibility for the general oversight of risks. Our Board satisfies this responsibility through full reports by each committee chair regarding the committee's considerations and actions, as well as through regular reports directly from officers responsible for oversight of particular risks within the Company. With respect to cybersecurity, our Audit Committee receives regular updates regarding the Company's efforts to prevent information security incidents, detect unusual activity, and to be prepared to respond appropriately should an incident occur. The full board also discusses cybersecurity periodically.

Risk Considerations in our Compensation Program

Our Board believes that our compensation policies and practices are reasonable and properly align our employees' interests and with those of our stockholders. Our Board believes that there are a number of factors that cause our compensation policies and practices to not have a material adverse effect on the Company. The fact that our executive officers and other employees have their incentive compensation tied to earnings, rather than revenues, encourages actions that improve the Company's profitability over the short and long term. Furthermore, our tenure-based and performance-based restricted stock plan further aligns the interests of our executive officers and other employees with the long-term interests of our stockholders. In addition, our Compensation Committee, and its external advisor, continues to review our compensation policies and practices to ensure that such policies and practices do not encourage our executive officers and other employees to take action that is likely to create a material adverse effect on the Company.

Code of Conduct and Business Ethics

The Company's employees, officers and directors are required to abide by the Company's Code of Conduct and Business Ethics (the "Code of Ethics"), which is intended to ensure that the Company's business is conducted in a consistently legal and ethical manner. The Code of Ethics covers all areas of professional conduct, including, among other things, conflicts of interest, competition and fair dealing, corporate opportunities and the protection of confidential information, as well as strict compliance with all laws, regulations and rules. Any waiver or changes to the policies or procedures set forth in the Code of Ethics in the case of officers or directors may be granted only by our Board and will be disclosed on our website within four business days. The full text of the Code of Ethics is published on the Investor Relations section of our website at www.rhgi.com.

Number of Meetings of our Board of Directors

Our Board held five meetings during fiscal 2018. Directors are expected to attend Board meetings and committee meetings for which they serve, and to spend the time needed to meet as frequently as necessary to properly discharge their responsibilities. Each director attended at least 75% of the aggregate number of meetings of our Board and our Board committees on which he or she served during the period except Ms. Baglivo, who attended a majority of the total number of meetings and would have been above 75% if not for a commercial flight delay which caused her to miss two committee meetings that were scheduled for the same day. Ms. Baglivo attended 80% of the Board meetings during fiscal 2018 and her attendance for all Board and Committee meetings in 2017 was 100%. The Board believes that Ms. Baglivo makes many valuable contributions and does not expect attendance to be an issue for her in the future.

Attendance at Annual Meetings of the Stockholders

The Company has no policy requiring directors and director nominees to attend its annual meeting of stockholders; however, all directors and director nominees are encouraged to attend. Mr. O'Donnell, our Executive Chairman, represented our Board at the 2018 annual meeting of stockholders.

Director Independence

The rules of the NASDAQ Global Select Market require that our Board be comprised of a majority of "independent directors" and that our Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee each be comprised solely of "independent directors," as defined under applicable NASDAQ rules.

Our Board has determined that each of the director nominees standing for election, except Michael P. O'Donnell and Cheryl J. Henry, has no relationship which, in the opinion of our Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and is an "independent director." In determining the independence of our directors, our Board has adopted independence standards that mirror the criteria specified by applicable laws and regulations of the SEC and NASDAQ.

Communications between Stockholders and our Board

Our Board and management team value the opinions and feedback of our stockholders, and we engage with stockholders throughout the year on a variety of issues, including our corporate governance practices. Stockholders may send communications to the Company's directors as a group or individually by writing to those individuals or the group: c/o the Corporate Secretary, 1030 W. Canton Avenue, Suite 100, Winter Park, Florida 32789. The Corporate Secretary will review all correspondence received and will forward all correspondence that is relevant to the duties and responsibilities of our Board or the business of the Company to the intended director(s). Examples of inappropriate communications include business solicitations, advertising and communications that are frivolous in nature, communications that relate to routine business matters (such as product inquiries, complaints or suggestions) or communications that raise grievances which are personal to the person submitting them. Upon request, any director may review any communication that is not forwarded to the directors pursuant to this policy.

Committees of our Board of Directors

Our Board currently has an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. The composition, duties and responsibilities of these committees are set forth below. Committee members hold office for a term of one year.

Audit Committee. Our Audit Committee was established in accordance with section 3(a)(58)(A) of the Exchange Act and is responsible for:

Our Compensation Committee held six meetings in fiscal 2018. The charter of our Compensation Committee is available on the Investor Relations section of our website at www.rhgi.com.

Our Nominating and Corporate Governance Committee's purpose is to assist our Board by identifying individuals qualified to become members of our Board of Directors consistent with the criteria set by our Board, and to develop our corporate governance principles. This Committee's responsibilities include:

- establishing a policy for considering stockholder nominees for election to our Board of Directors;
- evaluating and recommending candidates for election to our Board of Directors;
- evaluating and making recommendations to our Board of Directors regarding stockholder proposals;

Our Nominating and Corporate Governance Committee consists of Ms. Cooper, as Chair, Ms. Alvarez, Ms. Baglivo and Mr. Selati, each of whom satisfies the independence requirements of the NASDAQ Global Select Market. Our Nominating and Corporate Governance Committee held two meetings in fiscal 2018. The charter of our Nominating and Corporate Governance Committee is available on the Investor Relations section of our website at www.rhgi.com.

Our Board seeks a diverse group of candidates who possess the background, skills and expertise to make a significant contribution to our Board, the Company and its stockholders. Desired qualities to be considered include: high-level leadership experience in business or administrative activities and significant accomplishments; breadth of knowledge about issues affecting the Company; proven ability and willingness to contribute special competencies to Board activities; personal integrity; loyalty to the Company and concern for its success and welfare; willingness to apply sound and independent business judgment; no present conflicts of interest; availability for meetings and consultation on Company matters; willingness to assume broad fiduciary responsibility; and willingness to become a Company stockholder.

Our Nominating and Corporate Governance Committee considers all nominees for election as directors of the Company, including all nominees recommended by stockholders, in accordance with the mandate contained in its charter. The Company used a third-party search firm in 2018 to help identify, evaluate and conduct due diligence on potential director candidates. Ms. Perry was identified as part of this process. In evaluating candidates, the Committee reviews all candidates in the same manner, regardless of the source of the recommendation. The policy of our Nominating and Corporate Governance Committee is to consider individuals recommended by stockholders for nomination as a director in accordance with the procedures described below.

Procedure for Stockholder Recommendations to our Nominating and Corporate Governance Committee for Potential Director Nominees

Stockholders may recommend director candidates for our 2020 annual meeting for consideration by our Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee recommends, and the Board selects, director candidates using the criteria and priorities established from time to time. The composition, skills and needs of the Board change over time and will be considered in establishing the desirable profile of candidates for any specific opening on the Board.

Directors who are also employees receive no compensation for serving as directors. Non-employee directors are not eligible to participate in the deferred compensation plan for executive officers but in 2018 the Company established a deferred compensation plan for non-employee directors which the directors may participate in starting in 2019. Information regarding Mr. O'Donnell and Ms. Henry's compensation is reflected in the tables beginning on page 31 under "Executive Compensation."

Non-Employee Director Reimbursement Practice

We reimburse all directors for reasonable out-of-pocket expenses that they incur in connection with their service as directors.

Stock Ownership Guidelines for Non-Employee Directors; Anti-Hedging Policy

In July 2012, based on the recommendation of our Compensation Committee's independent compensation consultant, Willis Towers Watson, our Compensation Committee approved stock ownership guidelines for our non-employee directors, based on the belief that stock ownership guidelines further align the interests of our non-employee directors with those of our stockholders. Pursuant to our non-employee director stock ownership guidelines, each non-employee director is generally expected to accumulate and hold shares of our common stock equal in value to two times his or her base annual retainer for service on our Board. For purposes of our non-employee director stock ownership guidelines, a director's "annual retainer" excludes any retainer for serving as a member or as a chair of any Board committees and any meeting fees. Shares subject to stock options and unvested or unearned performance shares will not count toward the minimum ownership requirement. Restricted stock and restricted stock units (whether or not vested) will count toward the minimum ownership requirement. Non-employee directors have three years to achieve their targeted level. All non-employee directors satisfied our stock ownership guidelines as of the end of fiscal 2018.

Pursuant to our insider trading policy, our directors may not engage in any hedging or monetization transactions involving our securities.

COMPENSATION DISCUSSION AND ANALYSIS

Introduction

This Compensation Discussion and Analysis is designed to provide stockholders with an understanding of our compensation philosophy and objectives as well as the analysis that we performed in setting executive compensation. This discussion addresses the compensation program in place for fiscal year 2018 for our named executive officers, including our current and former Chief Executive Officer, Chief Financial Officer and our other named executive officers. For 2018, our named executive officers were:

- Cheryl J. Henry, our President & Chief Executive Officer;
- Michael P. O'Donnell, our Executive Chairman and Former Chief Executive Officer;
- Arne G. Haak, our Executive Vice President and Chief Financial Officer; and
- Susan L. Mirdamadi, our Executive Vice President and Chief Administrative Officer

Executive Summary

Ruth's Business and Strategy.

Ruth's develops and operates fine dining restaurants under the trade name Ruth's Chris Steak House. As of December 30, 2018, there were 156 Ruth's Chris Steak House restaurants, making it one of the largest upscale steakhouse companies in the world. The Ruth's Chris brand reflects its 54-year commitment to the core values instilled by its founder, Ruth Fertel, of caring for guests by delivering the highest quality food, beverages and genuine hospitality in a warm and inviting atmosphere.

The restaurant industry in which the Company competes is a mature segment, and the Company has a long operating history in upscale fine dining. The restaurant business is highly cyclical and results can be affected by consumer spending, commodity prices and real estate costs. The Company's approach is to maintain a strategy focused on multi-year, long-term results.

The Company's strategy is to deliver a total return to stockholders by maintaining a healthy core business, growing with a disciplined investment approach and returning excess capital to stockholders. The Company strives to maintain a healthy core business by growing sales through traffic, managing operating margins and leveraging infrastructure. The Company is committed to disciplined growth in markets with attractive sales attributes and solid financial returns. The Company believes that its franchisee program is a point of competitive differentiation and looks to grow its franchisee-owned restaurant locations as well. The Company also will consider acquiring franchisee-owned restaurants at terms that it believes are beneficial to both the Company and the franchisee. The Company returns excess capital to stockholders through share repurchases and dividends.

Succession Planning.

The Company made some important changes to the management team during fiscal year 2018, including the promotion of Cheryl Henry to President and Chief Executive Officer. This was the result of a multi-year succession planning process involving the Board of Directors and previous Chief Executive Officer, Michael P. O'Donnell. Mr. O'Donnell agreed to remain employed with the Company in the role of Executive Chairman to assure a smooth transition and to continue to assist Ms. Henry as she leads the Company forward.

In setting the appropriate level of compensation for Ms. Henry and Mr. O'Donnell, the Compensation Committee and Board of Directors worked with their external executive compensation advisor (Willis Towers Watson) to perform a comprehensive market compensation analysis of the President & CEO and the Executive Chairman roles. They took into consideration competitive market information for similarly situated executives at other companies, Ms. Henry and Mr. O'Donnell's current compensation, the incentives that would have been required to recruit a new CEO from outside the Company and the appropriate levels to align Ms. Henry and Mr. O'Donnell's interests with the long-term interests of our stockholders. As part of this review, Ms. Henry received a special one-time long-term equity grant which will not begin to vest until 2021 then will vest pro-rata over a three-year period. This grant was designed to ensure that Ms. Henry is focused on driving long-term strategic value to the business. The value of this grant should be considered as part of the total mix of compensation awarded to Ms. Henry over six years, rather than attributed to just fiscal year 2018. The grant will become fully vested on August 10, 2023 if Ms. Henry remains employed with the Company through that date and it does not start to vest until 2021. The Compensation Committee awarded this grant as part of Ms. Henry's promotion to CEO and does not intend for her regular annual compensation to include awards of this magnitude.

2018 Performance Highlights.

Our fiscal year end 2018 financial results were strong. We grew revenues and continued to execute on our strategic initiatives. Our sales growth was aided by favorable beef prices and the integration of our Hawaiian franchise restaurants. We achieved these results in the face of headwinds related to continued labor pressure from minimum wage increases and low unemployment coupled with overall traffic declines in the fine dining industry.

- Total revenues up 9.0% to \$452.3 million, compared to \$414.8 million in 2017.
- Comparable restaurant sales growth of 1.4%, marking our ninth consecutive year of comparable restaurant sales growth.
- Total operating income up 10.7% to \$51.7 million, compared to \$46.7 million in 2017, reflecting a \$37.0 million increase in restaurant sales, partially offset by increased food and beverage costs, increased restaurant operating expenses, marketing and advertising costs general and administrative costs, depreciation and amortization expenses and pre-opening costs.
- Net income up 38.5% to \$41.7 million, compared to \$30.1 million in 2017.
- GAAP diluted earnings per share up 42.2% to \$1.38, compared to \$0.97 in 2017.
- Annual dividend up 22.2% to \$0.44 per share, compared to \$0.36 per share for 2017.
- Opened three new restaurants in 2018 and integrated into our system the six Hawaii restaurants which were acquired at the end of 2017.
- Completed eight restaurant remodels in 2018 designed to enhance the guest experience and expand our operating capabilities.
- Returned capital to stockholders through share repurchases of \$18.5 million and dividends of \$13.5 million.

Key Executive Compensation Practices.

Key executive compensation practices are summarized below. We believe these practices promote alignment with the interests of our stockholders, and are consistent with market best practices.

What We Do

- | | |
|--|--|
| ✓ Beginning in 2012, grant annual restricted stock award based on equal parts performance (considering prior year actual performance) and retention/tenure. | ✓ Review and consider stockholder feedback in structuring executive compensation. |
| ✓ Retain an independent compensation consultant to advise the Compensation Committee. | ✓ Prudently exercise discretion to be responsive to the cyclical nature of our business and advance our goal of creating value for our stockholders. |
| ✓ Apply multi-year vesting requirements to all equity awards to facilitate retention and ensure performance alignment, generally these are 2-6 years post-grant. | ✓ Generally set our total compensation target opportunities at the median level for our market. |
| ✓ Prohibit hedging. | ✓ Maintain stock ownership guidelines of 2x salary for all NEOs, other than CEO, whose requirement is 3x salary. Ensure guidelines are achieved. |

What We Don't Do

- ✗ No automatic, annual increase in executive salaries
- ✗ No option repricing without stockholders approval.
- ✗ No exchange of underwater options for cash.
- ✗ No gross-ups.

Snapshot of Compensation Elements.

The overall philosophy of our compensation programs is to create value for our stockholders by using all elements of executive compensation to reinforce a results-oriented management culture focusing on our level of earnings and performance as compared to our annual operating plan and industry competitors, the achievement of longer-term strategic goals and objectives and specific individual performance. Accordingly, our executive compensation program has been designed to achieve the following objectives:

- focus executive officers on both annual and long-term business results with the goal of enhancing stockholder value;
- align the interests of our executives and stockholders; and
- provide executive compensation packages that attract, retain and motivate individuals of the highest qualifications, experience and ability.

The components of our 2018 compensation program included:

| Short-Term Compensation | | Long-Term Compensation | Total Indirect Compensation |
|-------------------------|---|--|---|
| Base Salary | Performance-Based Cash Bonuses | Long-Term Incentive Awards | Other Compensation and Benefits |
| Fixed cash component | Cash bonus based on personal and company performance (subject to meeting minimum adjusted EBITDA level for the year) Metrics: personal goals and adjusted EBITDA | Annual restricted stock awards and long-term retention based restricted stock vesting over multiple years Metrics: tenure/retention requirements, prior year adjusted EBITDA and adjusted EPS | Modest perquisites and employee benefits generally available to all team members including automobile allowances, medical benefit plans, life and accidental death and dismemberment insurance, long-term disability plans, 401(k) matching, non-qualified deferred compensation plan (employee contributions only), and additional benefits payable upon a change in control |

Total direct compensation (cash compensation and equity compensation) mix for fiscal year 2018 was allocated as follows for our CEO and our other named executive officers:

Incentive Compensation Metrics.

To align compensation with our business strategy of creating value for our stockholders, we historically have used adjusted EBITDA (earnings before interest, taxes, depreciation, and amortization, adjusted for store closures, a rent dispute and the impact of unbudgeted mid-year executive compensation changes) and adjusted EPS (earnings per diluted share, excluding the impact of store closures, a rent dispute, non-recurring tax items and the impact of unbudgeted mid-year executive compensation changes) as the metrics for our long-term incentive awards and adjusted EBITDA for our performance-based annual cash bonuses. We believe that adjusted EBITDA tends to provide a true measure of profitability by aligning incentives with stockholder value and that adjusted EPS tends to represent sustained value for stockholders. Some of the key drivers that affect adjusted EBITDA and adjusted EPS are as follows:

| Adjusted EBITDA | Adjusted EPS |
|---|---|
| <ul style="list-style-type: none"> • Revenues <ul style="list-style-type: none"> ○ Restaurant Sales ○ Franchise Income ○ Other • Operating costs and expenses | <ul style="list-style-type: none"> • Revenues <ul style="list-style-type: none"> ○ Restaurant Sales ○ Franchise Income ○ Other • Operating costs and expenses • Interest, tax, depreciation and amortization expense |

Provided that the minimum pre-determined adjusted EBITDA and adjusted EPS levels are achieved for the year, then we also evaluate individual contributions and accomplishments for determining incentive compensation. This may include (depending on the executive) same store sales, entrée count, traffic, development of additional operating units, addition of operating weeks, increase in check average, completion of acquisitions or transactions, settlement of litigation, risk management, brand protection initiatives and management of third-party vendor costs.

Compensation Objectives and Program Structure

The Compensation Committee of the Board of Directors oversees and directs our executive compensation philosophy, policies, plans and programs. Our Compensation Committee is responsible for determining the compensation elements and amounts paid to named executive officers.

Generally, the types of compensation and benefits provided to our named executive officers are similar to those provided to executive officers of other publicly-traded national restaurant companies. The overall philosophy is to create value for our stockholders by using all elements of executive compensation to reinforce a results-oriented management culture focusing on our level of earnings and performance as compared to our annual operating plan and industry competitors, the achievement of longer-term strategic goals and objectives and specific individual performance. Accordingly, our executive compensation program has been designed to achieve the following objectives:

- reinforce a results-oriented management culture with total executive compensation that varies according to performance;
- focus executive officers on both annual and long-term business results with the goal of enhancing stockholder value;
- align the interests of our executives and stockholders; and
- provide executive compensation packages that attract, retain and motivate individuals of the highest qualifications, experience and ability.

Our Compensation Committee sets the pay range and specific components of the total compensation package for each of our named executive officers. In establishing the compensation for the named executive officers, the Compensation Committee consults with their independent compensation consultant and also considers the recommendation of the Chief Executive Officer, with the exception of her own compensation, which is determined solely by the Compensation Committee with advice from its independent consultant. Any salary increase or other adjustment is approved by our Compensation Committee.

Our Compensation Committee considers Company performance, both operational and financial, in determining compensation. In connection with its compensation review, our Compensation Committee engages Willis Towers Watson to review and evaluate our compensation objectives and program structure relative to the marketplace. Three years ago, the company engaged Willis Towers Watson to update the compensation review that had last been performed three years prior to that. The next full review of the program structure will occur in 2019, however, a market compensation review was conducted in 2018 with respect to the roles of President & CEO and Executive Chairman. For purposes of these compensation and program reviews, Willis Towers Watson relies on both its own and other compensation databases, as well as its experience with restaurant sector and general industry companies with annual revenues similar to that of the Company, and research from the proxy statements of companies considered peers of the

Company. Willis Towers Watson also develops marketplace base salary, target annual incentive opportunity, target total annual compensation, actual total annual compensation, long-term incentive award level, target total direct compensation, and actual total direct compensation rates at the 25th, 50th, and 75th percentiles, which were used as a reference to assist the Committee in designing and maintaining the Company's compensation programs. Willis Towers Watson reviews all methods of compensation and compares the Company's levels and method of compensation to a Company-approved executive compensation peer group.

In March 2018, the Compensation Committee engaged Willis Towers Watson to update the Company's executive compensation peer group. The Compensation Committee considers the peer group data when benchmarking executive compensation but also takes into consideration that the Company is an industry leader in fine dining. Although the Company's revenues and market capitalization are in line with many peers, our margins, return on invested capital and sales growth differentiate us from most of our peers. The Compensation Committee exercises its independent judgement to account for differences between the Company and the peer group in terms of ownership structure, dining industry segment, size and complexity of operations, sourcing pool for executive talent and other differentiators. The peer group includes:

- BJ's Restaurants, Inc.
- Bloomin' Brands, Inc.
- Bojangles', Inc.
- Brinker International, Inc.
- Cheesecake Factory Incorporated
- Cracker Barrel Old Country Store, Inc.
- Dave & Buster's Entertainment, Inc.
- Del Frisco's Restaurant Group, Inc.
- Denny's Corporation
- El Pollo Loco Holdings, Inc.
- Fiesta Restaurant Group, Inc.
- Red Robin Gourmet Burgers Inc.
- Shake Shack Inc.
- Sonic Corp.
- Texas Roadhouse Inc.
- Zoe's Kitchen, Inc.

Willis Towers Watson continues to serve as an independent compensation consultant to our Compensation Committee. Our Compensation Committee has assessed the independence of Willis Towers Watson and has concluded that no conflict of interest has existed during Willis Towers Watson's engagement that would prevent Willis Towers Watson from serving as an independent compensation consultant to our Compensation Committee. Our Compensation Committee considers the following factors in determining that its compensation consultant is independent: SEC rules regarding compensation consultant independence, including the amount of fees paid by us as a percentage of the consulting firm's total revenue, conflict of interest policies of the consulting firm and business or personal relationships between the consulting firm and the members of our Compensation Committee or our executive officers.

Our Board of Directors and our Compensation Committee value the opinions of our stockholders and are committed to ongoing engagement with our stockholders on executive compensation practices. At the 2018 annual meeting, our stockholders approved the Company's holding an advisory vote on executive compensation every year. At the 2018 annual meetings of stockholders, approximately 96% of the votes cast on the stockholder advisory vote on executive compensation were voted in favor of our executive compensation. Our Compensation Committee has considered strong stockholder support among the factors evaluated in approving compensation decisions with respect to 2018 and in maintaining the core structure of our executive compensation program. Proposal No. 2 of this proxy statement asks our stockholders to approve, on an advisory basis, the compensation of our named executive officers.

2018 Compensation Considerations

In approving compensation decisions with respect to 2018, our Compensation Committee considered a variety of factors, including the Company's operational and financial performance. In this regard, highlights from fiscal 2018 include:

- our total operating income increased by 10.7% to \$51.7 million, compared to \$46.7 million in 2017;
- our net income increased by 38.5% to \$41.7 million, compared to \$30.1 million in 2017;
- our GAAP diluted earnings per share increased 42.2% to \$1.38, compared to \$0.97 in 2017;
- our annual dividend increased 22.2% to \$0.44 per share, compared to \$0.36 per share for 2017;
- three new Company-owned Ruth's Chris Steak House restaurants and two new franchisee-owned restaurants opened during 2018; and
- we returned \$32.0 million of capital to stockholders through share repurchases of \$18.5 million and dividends of \$13.5 million.

In addition, our stockholders returns have performed well against the S&P 500, the S&P Small Cap 600 Index and the Dow Jones U.S. Restaurants & Bars Index over the last one-, three-, and five-year periods, as shown in the performance graph on page 18 of the Company's Annual Report on Form 10-K, filed on February 28, 2019.

Elements of Compensation

Consistent with our compensation objectives described above, our executive compensation program is generally designed to be similar to the programs that are offered at nationwide restaurant companies comparable to us. We attempt to set our target total compensation opportunities generally consistent with the median level because of the desire to attract and retain top-level executives in the market in which we operate and compete for talent and because we believe that compensation should only exceed the market median when performance exceeds our targets. We believe that this benchmarking process is an important part of our Compensation Committee’s decision-making process; however, we do deviate from pure benchmarking information, where appropriate on an individual basis, where appropriate.

The total compensation program for the named executive officers includes base salary, performance-based cash incentive compensation under our bonus plan, long-term equity incentive compensation benefits and modest perquisites. It is our Compensation Committee’s practice to target each of these elements to deliver compensation to each executive and all executives as a group within the mid-level range (or median) of compensation for persons having generally similar responsibilities at other comparable publicly-traded nationwide restaurant companies.

Our Compensation Committee is focused on providing a total compensation package that is performance-based, and utilizes short and long-term incentives. We allocate a substantial portion of the total annual compensation paid to the named executive officers to variable compensation, including bonus opportunities and equity incentive awards. We believe that equity incentive awards are an important part of the compensation package because they incent the management team to think of the business from a long-term perspective similar to that of an owner.

A significant portion of the compensation paid to executive officers is designed to reward them based on our financial performance compared to financial objectives, the growth of the Company, and increased stockholder value, as reflected in increases in the Company’s share price. Our Annual Bonus Plan is designed to reward executive officers with cash awards for the achievement of annual objectives tied to the financial performance of the Company and their individual performance. In fiscal 2018, our performance goals for the Bonus Plan were based on adjusted EBITDA targets and performance versus the prior year’s adjusted EBITDA; however, we may consider using other performance goals in the future. Our 2018 targets were higher than 2017 actual results and 2017 targets. Our performance-based long-term incentive awards of restricted stock for prior year performance were based on adjusted EBITDA and adjusted EPS. We believe that adjusted EBITDA tends to provide a true measure of profitability by aligning incentives with stockholder value. We believe that adjusted EPS tends to represent sustained value for stockholders. The equity component of executive officers’ compensation, in the form of restricted stock, is designed to reward stock price improvement over the grant-date stock price, which aligns their interests with our stockholders and reinforces our results-oriented management culture for both annual and long-term business results.

The corporate and individual targets under the Bonus Plan are intended to be challenging, yet achievable for our executive officers. The targets are meant to require substantial efforts by executive officers and their teams toward achieving our strategic goals, but at the same time they are intended to be within reach if such significant efforts are made. For example, reaching target adjusted EBITDA performance only results in a payout of 75% of the target award opportunity. Actual performance must exceed target adjusted EBITDA performance measures for our executive officers to receive 100% of the target award opportunity.

Consistent with the executive compensation principles described above, Ms. Henry’s salary and short- and long-term incentive compensation for fiscal 2018 was as follows:

- Base salary of \$650,000, which took effect August 10, 2018;
- 2018 Target bonus opportunity under the Bonus Plan was set at 100% of base salary; actual 2018 award under the Bonus Plan was \$735,211 (approximately 113.1% of target award); and
- 2018 annual long-term incentives were granted in restricted stock awards and long-term retention based restricted stock awards with a grant date fair value of \$4,722,801.

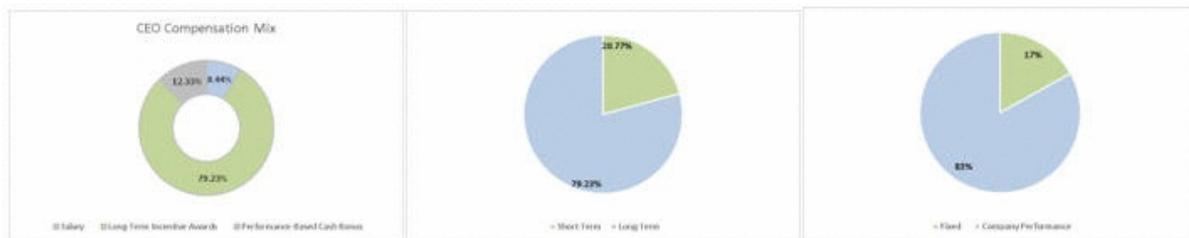

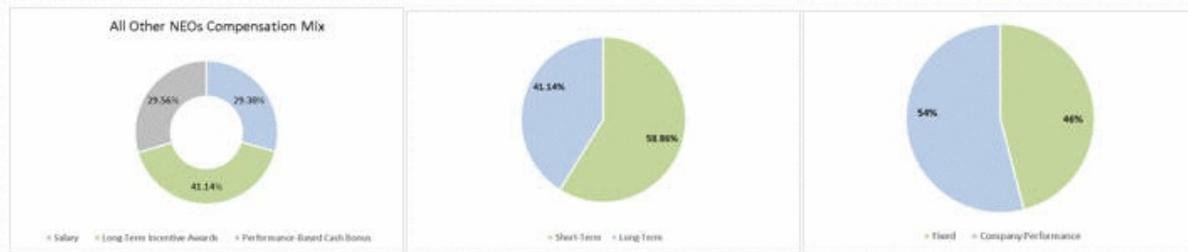

Table of Contents

Ms. Henry's 2018 total direct compensation mix is geared more heavily toward long term incentive awards and company performance than our other named executive officers because she received a long-term incentive award in connection with her promotion to CEO that is intended to motivate her to lead the Company to produce long-term, sustained financial growth over multiple years. That equity award will not begin to vest until 2021 and will only become fully vested on August 10, 2023 if Ms. Henry remains employed with the Company through that date.

Base Salary

Base salary is established based on the experience, skills, knowledge and responsibilities required of the executive officers in their roles. When establishing the base salaries of the executive officers, a number of factors are considered, including the individual's duties and responsibilities, the individual's experience, the ability to replace the individual, the base salary at the individual's prior employment, market data on similar positions with competitive companies and information derived from our directors' experience at other companies. We seek to provide base salaries that are competitive with the marketplace and allow us to attract and retain executive talent.

The Compensation Committee completed a review of the base salaries of the executive officers with its independent compensation consultant, Willis Towers Watson during fiscal 2015. As a result of this review, the base salaries of the executive officers were increased. This was the first increase in the base salaries of the named executive officers since 2012 other than for promotions. The Compensation Committee did not increase base salaries for the named executive officers in 2018, other than Ms. Henry in connection with her promotion to CEO and Ms. Mirdamadi who received an increase from \$300,000 to \$340,000 in connection with her promotion to Executive Vice President and Chief Administrative Officer. Willis Towers Watson provided the Committee with market compensation information that was used in setting the new base salaries for Ms. Henry and Ms. Mirdamadi.

Bonuses

Our performance-based cash incentive awards focus on closely aligning rewards with results. The philosophy of our performance-based annual cash incentive awards is simple: a basic reward for reaching minimum expectations and an upside for reaching the Company's goals.

Under the Bonus Plan, Ms. Henry, Mr. O'Donnell, Mr. Haak and Ms. Mirdamadi were eligible to receive cash bonuses based on personal and Company performance over the course of the 2018 fiscal year. The purpose of the Bonus Plan is to encourage a consistent high standard of excellence for all team members in the home office, including the named executive officers. Bonus awards under the Bonus Plan are determined by our Compensation Committee, subject to approval by our Board, and are based on (i) the financial performance of the Company during the applicable fiscal period as measured against the prior year's adjusted EBITDA and our Board's previously approved plan with targeted EBITDA adjusted for changes in accounting policies, non-recurring extraordinary transactions, or mid-year changes in executive compensation and (ii) individual performance.

Individual performance is measured against goals developed prior to the period in question. The goals typically address whether the individual complied with budget objectives and managed to achieve department-specific objectives oriented toward facilitating the Company's achieving its adjusted EBITDA goal. These goals differ by person and include, among others, same store sales, entrée count, development of additional operating or franchise units, addition of operating weeks, increase in check average, completion of transactions, settlement of litigation, risk management, brand protection initiatives and management of third-party vendor costs.

Our goals for the Bonus Plan are based on adjusted EBITDA as it tends to provide a true measure of profitability by aligning incentives with stockholder value. Bonuses are only payable under the Bonus Plan if adjusted EBITDA during the applicable fiscal period exceeds the prior year's adjusted EBITDA. If the adjusted EBITDA target is achieved, 75% of target bonus potential is awarded. Once the adjusted EBITDA target is achieved, 50% of the adjusted EBITDA increase over the target is added to the bonus pool until the maximum funding of the bonus pool is achieved (resulting in the payment of 200% of target bonus potential). Practically

Table of Contents

speaking, our adjusted EBITDA performance must exceed target amounts by some measure before our executive officers will receive 100% of the target Bonus Plan amount. If the adjusted EBITDA target is not achieved, but adjusted EBITDA exceeds adjusted EBITDA for the prior year, a percentage of the bonus potential is awarded equal to 75% times the amount adjusted EBITDA exceeds adjusted EBITDA for the prior year, divided by the difference between the adjusted EBITDA target for the current year and adjusted EBITDA for the prior year. Where adjusted EBITDA equals or exceeds the adjusted EBITDA target, the aggregate Bonus Plan pool can be illustrated as follows:

$$75\% \times (\text{Base Salary} \times \text{Target Base Salary \%}) + 50\% * (\text{Adjusted EBITDA} - \text{Target Adjusted EBITDA})$$

The percentage of base salary for each cash bonus is established based on the individual's level of responsibility. During 2018, the target and maximum cash bonuses were as follows:

| <u>Name</u> | <u>Target Base Salary %</u> | <u>Maximum Base Salary %</u> |
|----------------------|-----------------------------|------------------------------|
| Cheryl J. Henry | 100% | 200% |
| Michael P. O'Donnell | 100% | 200% |
| Arne G. Haak | 75% | 150% |
| Susan L. Mirdamadi | 75% | 150% |

These percentages are used to calculate the annual bonus amounts and are prorated at a percentage based on the number of weeks worked by the individual in the fiscal year. The actual cash bonuses payable to our executive officers may be less than the calculated cash bonus, depending on the operational performance, the individual's performance and certain other factors that may be considered by our Board and our Compensation Committee. There are no minimum cash bonuses established by the Bonus Plan. As a result of Ms. Mirdamadi's promotion, the percentage used to calculate the annual bonus amounts for Ms. Mirdamadi was increased to 75% from 60% in order to remain competitive with the market for her new role.

For fiscal 2018, actual adjusted EBITDA was approximately \$72,714,000, which exceeded the prior year's actual adjusted EBITDA of \$66,431,000 and the 2017 adjusted EBITDA target (which would have resulted in a 75% payout) of \$69,856,000. In order to achieve 100% payout, it would have been necessary to achieve adjusted EBITDA of \$71,730,000. In order to achieve the maximum payout under the Bonus Plan formula described above, it would have been necessary to achieve adjusted EBITDA of \$79,230,000. For a further illustration of how adjusted EBITDA relates to target EBITDA, see the second table under "Long-Term Incentive Awards" below. Cash bonuses were paid under the Bonus Plan for fiscal 2018 in the following amounts, which equal approximately 113.1% of each officer's respective target bonus amount. No adjustments were made for individual performance, although individual performance was considered.

| <u>Name</u> | <u>Cash Bonus Amount</u> | <u>% of Base Salary</u> |
|----------------------|--------------------------|-------------------------|
| Cheryl J. Henry | \$ 735,211 | 113% |
| Michael P. O'Donnell | \$ 763,488 | 113% |
| Arne G. Haak | \$ 318,120 | 85% |
| Susan L. Mirdamadi | \$ 288,419 | 85% |

Long-Term Incentive Awards

The Company's equity programs are designed to encourage creation of long-term value for our stockholders, employee retention and stock ownership. The programs currently consist primarily of annual restricted stock awards and long-term retention based restricted stock awards. Our equity incentive programs are intended to promote a long-term focus on results and to align employee and stockholder interests.

Based on the recommendation of our Compensation Committee's independent compensation consultant, Willis Towers Watson, we adopted an equity award grant policy for certain executive officers and key employees in July 2012 that provides that each of the Company's executive officers and key employees may receive an annual award under the Amended and Restated 2005 Long-Term Equity Incentive Plan. The annual award generally consists of restricted stock with a value equal to a multiple of base salary that is consistent with the median long-term incentive plan practices of peer companies. Half of the restricted stock award is based on tenure, and half of the restricted stock award is based on prior year performance, and may have a value that is less than or greater than the targeted multiple of base salary, depending on our performance in the prior year. The Compensation Committee evaluates our prior year performance, and makes the annual awards of restricted stock, in March following the fiscal year to which the performance relates. The tenure-based restricted stock will vest in equal annual installments over the three years following the grant date, subject to continued service as an employee and certain other conditions. The restricted stock for prior year performance will vest on the second anniversary of the grant date, subject to continued service as an employee and certain other conditions.

Table of Contents

For awards granted in March 2018 and awards granted in March 2019, the target values of the restricted stock awards were based on the below multiples of the named executive officers' respective salaries. The actual amount received is equal to the below multiples times a multiple for tenure and a performance multiple for adjusted EBITDA and adjusted EPS. If the Company does not achieve adjusted EBITDA or adjusted EPS at or above the level of the prior fiscal year, then only the tenure grant is awarded but no restricted stock is earned for the performance component, which results in total compensation below the median level. If performance exceeds the prior year but does not reach the target level, then the number of shares awarded in respect of performance will be reduced and total compensation will also fall below the applicable market median.

| Name | FY17 Salary | FY18 Salary | Multiple of Base Salary | | |
|-----------------------------------|----------------|----------------|-------------------------|--|---------------------------------------|
| | | | Tenure-Based Award | Target Award Based on Adjusted EBITDA | Target Award Based on Adjusted EPS |
| Cheryl J. Henry ⁽¹⁾ | \$410,000 | \$650,000 | 1.000x | 0.500x | 0.500x |
| Michael P. O'Donnell | \$675,000 | \$675,000 | 1.000x | 0.500x | 0.500x |
| Ame G. Haak | \$375,000 | \$375,000 | 0.500x | 0.250x | 0.250x |
| Susan L. Mirdamadi ⁽²⁾ | \$300,000 | \$340,000 | 0.500x | 0.250x | 0.250x |

- (1) Ms. Henry's salary was increased to \$650,000 effective August 2018 in connection with her promotion to President and Chief Executive Officer. The multipliers for her Tenure-Based Award, and for the Target Awards based on adjusted EBITDA and adjusted EPS were increased to the levels shown in the table above.
- (2) Ms. Mirdamadi's salary was increased to \$340,000 effective October 2018 in connection with her promotion to Executive Vice President and Chief Administrative Officer. The multipliers for her Tenure-Based Award, and for the Target Awards based on adjusted EBITDA and adjusted EPS remained the same, at the levels shown in the table above.

Consistent with the above, our Board generally grants annual restricted stock awards to the named executive officers in March of each year, taking into account the Compensation Committee's policy and, with respect to the restricted stock for prior year performance, adjusted EBITDA and adjusted EPS for the prior fiscal year. When performance exceeds performance in the prior year, the performance multiple is equal to 100% times a percentage equal to the actual amount of growth over the prior year divided by the target growth amount. When the target is exceeded, the performance multiple is equal to 125% times a percentage equal to actual performance divided by target performance. To illustrate, if the Company's actual adjusted EBITDA is 110% of the target amount, then a performance multiple equal to 137.5% (125% times 110%) is applied to the target multiples stated above to calculate such executive officer's payout in respect of adjusted EBITDA. This feature of our long-term retention based restricted stock awards incentivizes our executive officers to strive to exceed our challenging target performance thresholds.

In March 2018 and March 2019, each named executive officer received a tenure-based restricted stock award and a restricted stock award for fiscal 2017 performance and fiscal 2018 performance, respectively. For fiscal 2017, actual adjusted EBITDA and actual adjusted EPS fell below their respective targets, and for fiscal 2018, actual adjusted EBITDA and actual adjusted EPS exceeded their respective targets, which resulted in grants of restricted stock for such performance equal to the percentage of target award value set forth in the following chart. Grants made in March 2018 and March 2019 are included in the Summary Compensation Table for fiscal 2018 and fiscal 2019, respectively.

| | 2017 | | 2017 Percentage of Target Award Value | 2018 | | 2018 Percentage of Target Award Value |
|-----------------|--------------|--------------|--|--------------|--------------|--|
| | 2017 Actual | 2017 Target | | 2018 Actual | 2018 Target | |
| Adjusted EBITDA | \$66,431,000 | \$67,231,000 | 85.7% | \$72,714,000 | \$69,856,000 | 130.10% |
| Adjusted EPS | \$ 1.102 | \$ 1.115 | 91.0% | \$ 1.4152 | \$ 1.3012 | 135.95% |

In recognition of the strong stockholder returns delivered under the tenure of our executive officers, the Compensation Committee retained Willis Towers Watson in 2015 to assist in developing retention grants for these officers. As a result, the Committee awarded certain executive officers special one-time long-term grants ("Retention Grants") in June 2015, which will vest over a three- to six-year period, a significantly longer period than the three-year industry standard. The Retention Grants were designed to ensure that our executive officers remain focused on driving long-term strategic value to the business and to retain those individuals who are critical to our strategy over the next several years. The Retention Grants were awarded in recognition of the strong stockholder returns delivered by the Company under the leadership of senior executives receiving a Retention Grant. In an effort to aid long-term retention, the Retention Grants have significantly longer vesting periods than traditional share grants, which typically have a maximum three-year vesting period. Over the vesting period of the Retention Grants, their value should be considered as part of the total mix of compensation awarded to our executive officers, rather than attributed to just the year of grant. The value of each of the 2015 grants should be considered as part of the total mix of compensation awarded to the named executive officers in 2015 through 2021, at which time the grants will be fully vested if the executive remains with the Company through that date.

Benefits

The Company's benefits philosophy for executive officers is that benefits should provide employees protection from catastrophic events, enable employees to plan for their future and be competitive in order to attract and retain a high-quality workforce. The types of benefits provided to the named executive officers, which are generally the same as those of the entire company, consist of medical benefits plans, life and accidental death and dismemberment insurance plans, long-term disability plans and 401(k) matching contributions. In addition, the executive officers receive automobile allowances.

The Company maintains a non-qualified deferred compensation plan that is unsecured and allows certain high-level employees, including executive officers, to voluntarily defer receipt of their salary above specified amounts and bonus payments into accounts established under the plan. These accounts are credited with earnings from amounts invested in funds available through Fidelity Investments, the plan's record keeper, as selected by each participant. The Company does not contribute or match contributions to these accounts.

The Company also allows its executive officers to dine in its restaurants as a benefit in order to permit these officers to conduct quality control tests.

Tax and Accounting Implications

Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code of 1986, as amended, generally disallows a tax deduction for compensation in excess of \$1.0 million paid to our Chief Executive Officer and to each other officer (other than our Chief Financial Officer) whose compensation is required to be reported to our stockholders pursuant to the Exchange Act by reason of being among the three most highly paid executive officers. Pursuant to tax legislation signed into law on December 22, 2017 commonly known as the Tax Cuts and Jobs Act (the "Tax Act"), for taxable years beginning after December 31, 2017, the Section 162(m) deduction limitation is expanded so that it also applies to compensation in excess of \$1 million paid to a public company's chief financial officer. Historically, compensation that qualified under Section 162(m) as performance-based compensation was exempt from the deduction limitation. However, subject to certain transition rules, the Tax Act eliminated the qualified performance-based compensation exception. As a result, for taxable years beginning after December 31, 2017, all compensation in excess of \$1 million paid to each of the executives described above will not be deductible by us, subject to the transition relief. The Compensation Committee intends to maintain strong pay-for-performance alignment of executive compensation arrangements regardless of the tax deductibility of such compensation.

Severance and Termination Arrangements

Ms. Henry, Mr. O'Donnell, Mr. Haak and Ms. Mirdamadi have employment agreements that provide for payments upon a termination of employment by the executive for good reason, by the Company without cause or upon death or disability as described later in this proxy statement in the section entitled "Employment Agreements." Likewise, the Bonus Plan provides for partial payment of bonus amounts to our named executive officers upon death, disability, retirement or change in control based on the bonus amount earned prior to such triggering event. The Company believes that these agreements and plans effectively create incentives for our executives to build stockholder value without the fear of losing employment for situations other than for cause. These arrangements are intended to attract and retain qualified executives who could have other job alternatives that may appear to them to be less risky absent these arrangements.

COMPENSATION COMMITTEE REPORT

The Compensation Committee of our Board of Directors has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, our Compensation Committee recommended to our Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement.

Equity Compensation

Amended and Restated 2005 Long-Term Equity Incentive Plan and 2018 Omnibus Incentive Plan

The Amended and Restated 2005 Long-Term Equity Incentive Plan, as originally approved in 2005 and subsequently amended and restated, provided for grants of stock options, restricted stock, restricted stock units, deferred stock units and other equity-based awards. On May 15, 2018, the Company’s stockholders approved a new 2018 Omnibus Incentive Plan (the 2018 Equity Incentive Plan) which replaced the Amended and Restated 2005 Equity Incentive Plan which expired on May 30, 2018. The 2018 Equity Incentive Plan authorizes 2.5 million shares reserved for future grants. Awards that were previously awarded under the 2005 Equity Incentive Plan that are forfeited or cancelled in the future will be made available for grant or issuance under the 2018 Equity Incentive Plan. The 1,649,394 shares that were authorized but unissued under the 2005 Equity Incentive Plan as of May 15, 2018 were cancelled. As of December 30, 2018, there were 5,073 shares of common stock issuable upon exercise of currently outstanding option awards and 947,906 currently outstanding unvested restricted stock awards under the 2005 Equity Incentive Plan. Under the 2018 Equity Incentive Plan there are 130,665 shares of currently outstanding unvested restricted stock outstanding under the 2018 Equity Incentive Plan at December 30, 2018, and 2.5 million shares available for future grants.

Executive Stock Ownership Guidelines; Anti-Hedging Policy

In July 2012, based on the recommendation of our Compensation Committee’s independent compensation consultant, Willis Towers Watson, our Compensation Committee approved stock ownership guidelines for our executive officers, based on the belief that stock ownership guidelines further align the interests of our executive officers with those of our stockholders. Pursuant to our executive officer stock ownership guidelines, each executive officer is generally expected to accumulate and hold shares of our common stock equal in value to two times his or her annual tenure-based equity grant, with the exception of the Chief Executive Officer who is required to hold shares of our common stock equal in value to three times his or her annual tenure-based equity grant. Shares subject to stock options will not count toward the minimum ownership requirement. Restricted stock (whether or not vested) will count toward the minimum ownership requirement. Executive officers had until 2015 to meet the stock ownership guidelines. As of the end of fiscal 2015, all named executive officers satisfied our stock ownership guidelines and have continued to do so.

Pursuant to our insider trading policy, our executive officers may not engage in any hedging or monetization transactions involving our securities.

**Non-Qualified Deferred Compensation
Fiscal Year 2018**

We maintain a Non-Qualified Deferred Compensation plan that is unsecured and allows certain high-level employees, including executive officers, to voluntarily defer receipt of their salary above specified amounts and bonus payments into accounts established under the plan. These accounts are credited with earnings from amounts invested in funds available through Fidelity Investments, the plan's record keeper, as selected by each participant. The following table summarizes contributions during 2018 by the only named executive officer who participated along with aggregate earnings/losses for the year and the aggregate balance as of December 30, 2018. We did not make any contributions to the deferred compensation plan during 2018. Named executive officers are fully vested in all contributions to the plan. The amounts listed as executive contributions are included as "Salary" in the Summary Compensation Table. The aggregate earnings are not reflected in "Other Compensation" in the Summary Compensation Table. No portion of the aggregate balance was previously reported as compensation of the named executive officer in the Summary Compensation Table for previous years.

| Named Executive Officer | Executive Contributions in 2018 | Company Contributions in 2018 | Aggregate Earnings in 2018 | Aggregate Withdrawals/Distributions in 2018 | Aggregate Balance at December 30, 2018 |
|-------------------------|---------------------------------|-------------------------------|----------------------------|---|--|
| Arne G. Haak | \$ 38,897 | \$ — | \$ (9,578) | \$ — | \$ 94,243 |

Pension Benefits

We do not maintain any additional executive retirement programs such as executive pension plans or other executive retirement benefits.

Employment Agreements

Cheryl Henry. Effective August 2018, we entered into a new employment agreement with Ms. Henry under which Ms. Henry agreed to serve as our President and Chief Executive Officer and a member of our Board. Ms. Henry's base salary was set at \$650,000 (subject to annual review) and any annual bonus is under the Home Office Bonus Program. The agreement is for a term of one year from August 10, 2018, with automatic one-year renewals unless otherwise terminated. Pursuant to her employment agreement, if Ms. Henry's employment is terminated by us without "cause," or by Ms. Henry for "good reason" (as those terms are defined below) during the employment term, Ms. Henry will be entitled to continue to receive her base salary for 24 months after the date of such termination and 12 monthly payments in the aggregate equal to her prior year bonus compensation and prorated share of earned but not paid bonus for current year. Ms. Henry would also receive 24 months of continued health, welfare and retirement benefits, 24 months of automobile allowance payments pursuant to current Company guidelines, all unreimbursed expenses and continued vesting rights for her options and restricted stock for 24 months following such termination. In the event Ms. Henry's employment is terminated without cause and there has been a change in the composition of more than a majority of the Board within the two-year period from August 10, 2018, Ms. Henry would also be entitled to an additional payment of 50% of her then-current annual base salary as of the date of such termination. In the event the company is sold at any time during the term of employment, all of Ms. Henry's equity awards will immediately vest. Ms. Henry has agreed not to compete with us or to solicit any of our employees or persons with whom we have certain business relationships for 12 months following her termination.

Michael P. O'Donnell. Effective August 2018, we entered into a revised employment agreement with Mr. O'Donnell outlining the terms by which Mr. O'Donnell would serve as our Executive Chairman and a member of our Board. Under this agreement, Mr. O'Donnell's base salary remained at \$675,000 until March 31, 2019 when it was reduced to \$500,000 and any annual bonus is under the Home Office Bonus Plan. The agreement is for a term of one year from August 10, 2018, with automatic one-year renewals unless otherwise terminated. Pursuant to his employment agreement, if Mr. O'Donnell's employment is terminated by us without "cause" or by Mr. O'Donnell for "good reason" (as those terms are defined below) during the employment term, Mr. O'Donnell will be entitled to continue to receive his remaining cash compensation owed through the remainder of the then current term. Mr. O'Donnell would also receive 18 months of continued health, welfare and retirement benefits, 18 months of automobile allowance pursuant to current Company guidelines, all unreimbursed expenses and continued vesting rights for his options and restricted stock as if Mr. O'Donnell was still employed. In the event Mr. O'Donnell's employment is terminated without cause and there has been a change in the composition of more than a majority of the Board within the two-year period from August 10, 2018, Mr. O'Donnell would also be entitled to an additional payment of 50% of his then-current annual base salary as of the date of such termination. In the event the company is sold at any time during the term of employment, all of Mr. O'Donnell's equity awards will immediately vest. If Mr. O'Donnell's employment agreement is renewed through and including August 10, 2020 and Mr. O'Donnell provides 30 days' notice that he wishes to retire on August 10, 2020, Mr. O'Donnell will be entitled to receive upon his retirement 18 months of continued health, welfare and retirement benefits, 18 months of automobile allowance pursuant to current Company guidelines, all unreimbursed expenses and continued vesting rights for his options and restricted stock as if Mr. O'Donnell was still employed. Mr. O'Donnell has agreed not to compete with us or to solicit any of our employees or persons with whom we have certain business relationships for 12 months following his termination.

Arne G. Haak. In August 2011, we entered into an employment agreement with Mr. Haak under which Mr. Haak agreed to serve as our Executive Vice President and Chief Financial Officer. Mr. Haak's current base salary is \$375,000 (subject to annual review) and any annual bonus is under the Home Office Bonus Program. The agreement is for a term of one year from August 11, 2011, with automatic one-year renewals unless otherwise terminated. If Mr. Haak's employment is terminated by us without "cause," or by Mr. Haak for "good reason" (as those terms are defined below) during the employment term, then the executive will be entitled to receive his base salary for 12 months after the date of such termination and 12 monthly payments in the aggregate equal to 50% of his prior year bonus compensation. Mr. Haak would also receive 12 months of continued health, welfare and retirement benefits, 12 months of automobile allowance pursuant to current Company guidelines, all unreimbursed expenses and continued vesting rights for his options and restricted stock for 12 months. We have the option of paying the severance on a monthly or lump-sum basis. In the event the company is sold at any time during the term of employment, all of Mr. Haak's equity awards will immediately vest. Mr. Haak has agreed not to compete with us or to solicit any of our employees or persons with whom we have certain business relationships for 12 months following his termination.

Susan L. Mirdamadi. In October 2018, we entered into an employment agreement with Ms. Mirdamadi under which she agreed to serve as our Executive Vice President and Chief Administrative Officer. Ms. Mirdamadi's base salary was set at \$340,000 (subject to annual review) and any annual bonus is under the Home Office Bonus Program. The agreement is for a term of one year from October 24, 2018, with automatic one-year renewals unless otherwise terminated. Pursuant to her employment agreement, if Ms. Mirdamadi's employment is terminated by us without "cause," or by Ms. Mirdamadi for "good reason" (as those terms are defined

Table of Contents

below) during the employment term, Ms. Mirdamadi will be entitled to continue to receive her base salary for 12 months after the date of such termination and 12 monthly payments in the aggregate equal to 50% of her prior year bonus compensation. Ms. Mirdamadi would also receive 12 months of continued health, welfare and retirement benefits, 12 months of automobile allowance payments pursuant to current Company guidelines, all unreimbursed expenses and continued vesting rights for her options and restricted stock for 12 months following such termination. In the event the company is sold at any time during the term of employment, all of Ms. Mirdamadi's equity awards will immediately vest. Ms. Mirdamadi has agreed not to compete with us or to solicit any of our employees or persons with whom we have certain business relationships for 12 months following her termination.

The employment agreements for our executive officers define "cause" as meaning, subject to any applicable cure periods, (i) an officer's theft, embezzlement, perpetration of fraud, misappropriation of property or attempts at such; (ii) any act of disloyalty, misconduct or moral turpitude by an officer that is injurious to the Company; or (iii) an officer's willful disregard of a lawful directive given by a superior or our Board of Directors or a violation of the Company's employment policy.

The employment agreements for our executive officers define "good reason" to mean (i) the assignment by our Board of Directors to an officer of any material duties that are clearly inconsistent with the officer's status, title and position, (ii) failure by the Company to pay the officer any amounts required under the officer's employment agreement with which failure continues uncured for a period of 15 days after written notice is given, (iii) a material relocation of the Company requiring the executive to relocate or (iv) upon notice of the Company's intent not to renew the agreement. Additionally, in the case of Mr. O'Donnell, the definition of good reason includes the limited instance where Mr. O'Donnell provides 30 days' notice that he wishes to retire on August 10, 2020, assuming his employment agreement is renewed through and including that date, as described above.

Except as specifically described herein, all options and restricted stock issued under the Company's equity incentive plans, whether or not then exercisable (as applicable), generally cease vesting when a grantee ceases to be an employee unless otherwise provided in an employment agreement.

Payments Made Upon Termination

Assuming each executive officer's employment was terminated by us on December 28, 2018, without cause or by the executive for good reason, as described in the description of employment agreements above, the estimated values of payments and benefits to each named executive officer are set forth in the following table:

| | Cheryl J. Henry | Michael P. O'Donnell | Arne G. Haak | Susan L. Mirdamadi |
|--|----------------------------|---------------------------------|-------------------------|-------------------------------|
| Cash Severance(1) | \$1,300,000 | \$ 351,438 | \$ 375,000 | \$340,000 |
| Bonus(2) | \$ 945,919 | \$ 763,488 | \$ 90,338 | \$ 57,816 |
| Continued Vesting of Restricted Stock(3) | \$3,736,443 | \$6,376,810 | \$1,339,389 | \$512,915 |
| Continued Vesting of Options | \$ — | \$ — | \$ — | \$ — |
| Health and Welfare Benefits (4) | \$ 43,983 | \$ 33,670 | \$ 21,988 | \$ 16,396 |
| Automobile Allowance(5) | \$ 22,523 | \$ 18,000 | \$ 10,800 | \$ 8,400 |
| Total | \$6,048,868 | \$7,543,406 | \$1,837,515 | \$935,527 |

- (1) Includes multiples of salary specified in each named executive officer's employment agreement as described above. For Ms. Henry and Mr. O'Donnell, additional cash severance of \$325,000 and \$337,500, respectively, would be due if a change in the composition of more than a majority of the Board had occurred as of December 28, 2018.
- (2) Based on payment of a percentage of the named executive officer's performance-based cash incentive award compensation granted under the Bonus Plan, as specified in each named executive officer's employment agreement as described above. For Ms. Henry and Mr. O'Donnell, because December 28, 2018, is the last business day of our fiscal year, the prorated amounts for their prorated share of an earned but unpaid bonus for fiscal year 2018 presented in this table are equal to the amounts earned under each executive officer's respective bonus plan for the entirety of fiscal 2018. Because Mr. O'Donnell's employment agreement requires him to be an employee at the end of a fiscal year to receive a bonus and does not otherwise provide for a bonus in the event of a termination without cause or termination for good reason, no prorated bonus for fiscal year 2019 is presented in this table.
- (3) Value is based on the closing price on December 28, 2018 of \$22.45. Represents continued vesting of restricted stock for the applicable period provided by each executive officer's employment agreement, as noted above.
- (4) Amount represents premiums that will be paid by the Company in respect to health insurance, group term life insurance and other medical benefits after termination of employment for the applicable period provided by each executive officer's employment agreement, as noted above.
- (5) Based on the value, as of December 28, 2018, of the current pre-established automobile allowance that would be received by the executive officer for the applicable period provided by each executive officer's employment agreement, as noted above.

Payments Made Upon Death or Disability

In the event of the death or disability of a named executive officer, all named executive officers will receive benefits under our disability plan or payments under our life insurance plan, as appropriate. In the case of a grantee's death or disability, (a) the number of shares of restricted stock for which the restrictions will have lapsed within one year of the grantee's death or disability will become fully vested and (b) a number of options equal to the sum of (1) the number of options that were exercisable on the date of the grantee's death or disability and (2) the number of options that would become exercisable within one year after the date of the grantee's death or disability, will become fully vested and exercisable and remain so for up to 180 days after the date of death or disability, provided the grantee does not compete with us during that 180-day period without our permission.

Under the Bonus Plan, the executive officer shall receive a vested right to his or her bonus payment in an amount equal to the earned bonus amount as of the time of death or disability. Assuming each executive officer's triggering event occurred on December 28, 2018, the estimated values of payments and benefits to each named executive officer are set forth in the following table:

| | Cheryl J. Henry | Michael P. O'Donnell | Arne G. Haak | Susan L. Mirdamadi |
|------------------------|----------------------------|---------------------------------|-------------------------|-------------------------------|
| Restricted Stock \$(1) | \$2,572,837 | \$3,474,721 | \$1,339,389 | \$ 512,915 |
| Options (\$) | \$ — | \$ — | \$ — | \$ — |
| Bonus \$(2) | \$ 735,211 | \$ 763,488 | \$ 318,120 | \$ 288,419 |
| Total | <u>\$3,308,048</u> | <u>\$4,238,209</u> | <u>\$1,657,509</u> | <u>\$ 801,334</u> |

(1) Value is based on the closing price on December 28, 2018 of \$22.45.

(2) Value is based on the earned bonus amount attributable to the period prior to the triggering event. This table assumes that the triggering event occurred as of December 28, 2018, the last business day of our fiscal year, and thus the earned bonus amounts are equal to the amounts earned under each executive officer's respective bonus plan for the entirety of fiscal 2018.

Payments Made Upon a Change in Control

In the event that the Company is sold at any time during Ms. Henry's, Mr. O'Donnell's, Mr. Haak's or Ms. Mirdamadi's respective terms of employment, all equity awards held by such officer will immediately vest pursuant to the terms of such officer's employment agreement. If we undergo a change in control, the committee administering the Amended and Restated 2005 Long-Term Equity Incentive Plan and the 2018 Omnibus Incentive Plan (the "Equity Plans") may provide that the options issued under such plan become exercisable and that such options may terminate if not exercised on the date of the change in control. Such committee may also accelerate the vesting of restricted stock grants under the Equity Plans.

Under the Bonus Plan, the executive officer shall receive a vested right to his or her bonus payment in an amount equal to the earned bonus amount as of the time of the change in control.

For purposes of the Equity Plans and the Bonus Plan, a change in control is triggered if (a) any person or group is or becomes the beneficial owner of 50% or more of the Company's voting securities, (b) during any period of two consecutive years, individuals who at the beginning of such period constitute the Board and any new directors whose election by the Board or nomination for election by the stockholders was approved by at least 2/3 of the directors then still in office who either were directors at the beginning of the period or whose election was previously so approved cease to constitute a majority of the Board, (c) the Company merges or consolidates with any other corporation (unless the Company's voting securities continue to represent more than 50% of the combined voting power of the surviving entity) or (d) a plan of complete liquidation or a sale or disposition of the Company of all or substantially all of its assets is consummated (other than the sale or disposition of all or substantially all of the assets of the Company to persons who beneficially own 50% or more of the Company's voting securities).

Assuming all outstanding unvested equity awards are accelerated as of December 28, 2018, the table below provides the estimated value to our named executive officers in connection with a change in control on such date:

| | Cheryl J. Henry | Michael P. O'Donnell | Arne G. Haak | Susan L. Mirdamadi |
|------------------------|----------------------------|---------------------------------|-------------------------|-------------------------------|
| Restricted Stock \$(1) | \$7,337,244 | \$6,376,810 | \$3,361,573 | \$1,653,532 |
| Options (\$) | \$ — | \$ — | \$ — | \$ — |
| Bonus \$(2) | \$ 735,211 | \$ 763,488 | \$ 318,120 | \$ 288,419 |
| Total | <u>\$8,072,454</u> | <u>\$7,140,298</u> | <u>\$3,679,693</u> | <u>\$1,941,951</u> |

[Table of Contents](#)

- (1) Value is based on the closing price on December 28, 2018 of \$22.45.
- (2) Value is based on the earned bonus amount attributable to the period prior to the change in control. This table assumes that the change in control occurred as of December 28, 2018, the last business day of our fiscal year, and thus the earned bonus amounts are equal to the amounts earned under each executive officer's respective bonus plan for the entirety of fiscal 2018.

CEO PAY RATIO

As required by Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act and Item 402(u) of Regulation S-K, we are required to disclose the ratio of our median employee's annual total compensation to the annual total compensation of our principal executive officer. We determined our median employee based on the total cash compensation paid during the first 10 months of 2018 to each of our approximately 5,400 employees (excluding the Chief Executive Officer) as of November 1, 2018 (annualizing in the case of full- and part-time employees who joined the Company during 2018). The annual total compensation of the median employee for 2018 was \$32,504.

Cheryl Henry assumed the role of Chief Executive Officer in August 2018. We annualized Ms. Henry's base salary, resulting in annual total compensation for 2018 of \$6,252,398, which is \$146,770 higher than the amount reported in the Summary Compensation Table on page 31. Ms. Henry's annual total compensation for 2018 also includes the grant date fair value (in the amount of \$4,143,750) of the one-time equity award made to her when she was promoted to CEO. This award will vest pro rata annually over a three-year period beginning August 10, 2021 – in all, a six-year period from the 2018 grant date.

Based on the foregoing, our estimate of the ratio of the annual total compensation of our Chief Executive Officer to the median of the annual total compensation of all other employees is 193 to 1. Excluding all but one-sixth of the \$4,143,750 grant date fair value for the one-time equity award made to Ms. Henry upon being promoted to CEO, our estimate of the ratio is 87 to 1. Given the different methodologies that various public companies use to determine an estimate of their pay ratio, the estimated ratio reported above should not be used as a basis for comparison between companies.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Related-Party Transactions Policy and Procedure

During fiscal 2018, we were not a party to any transaction or series of similar transactions in which the amount involved exceeded or will exceed \$120,000 and in which any current director, executive officer, holder of more than 5% of our capital stock, or any member of the immediate family of any of the foregoing, had or will have a direct or indirect material interest.

As part of our quarterly internal certification of our financial statements, officers of the Company must either certify that they are not aware of any related party transactions or they must disclose any such transactions.

The Audit Committee is responsible for review, approval or ratification of "related-person transactions" between Ruth's Hospitality Group, Inc. or its subsidiaries and related persons, in accordance with the terms of our written Related Party Transactions Policy. Under SEC rules, a related person is a director, officer, nominee for director or 5% stockholder of the company since the beginning of the last fiscal year and their immediate family members. In the course of its review and approval or ratification of a related party transaction, the Audit Committee considers:

- the nature of the related party's interest in the transaction;
- the material terms of the transaction, including the amount involved and type of transaction;
- the importance of the transaction to the related party and to the Company;
- whether the transaction would impair the judgment of a director or executive officer to act in our best interest and the best interest of our stockholders; and
- any other matters that the Audit Committee deems appropriate.

Any member of the Audit Committee who is a related party with respect to a transaction under review may not participate in the deliberations or vote on the approval or ratification of the transaction. However, such a director may be counted in determining the presence of a quorum at a meeting of the committee that considers the transaction.

AUDIT COMMITTEE REPORT

The Audit Committee of our Board of Directors reviewed and discussed the audited financial statements with management, which represented that the financial statements were prepared in accordance with U.S. generally accepted accounting principles. The Audit Committee discussed with management the effectiveness of our internal control over financial reporting and the quality and acceptability of the accounting principles employed, including all critical accounting policies used in the preparation of the financial statements and related notes, the reasonableness of judgments made, and the clarity of the disclosures included in the statements.

The Audit Committee also reviewed our consolidated financial statements for fiscal 2018 and its evaluations of our internal control over financial reporting with KPMG LLP, our independent auditors for fiscal 2018, who are responsible for expressing an opinion on the conformity of those audited financial statements with U.S. generally accepted accounting principles and on the effectiveness of our internal control over financial reporting. The Audit Committee discussed with KPMG LLP the matters required to be discussed by AS 1301, “Communications with Audit Committees,” as adopted by the Public Company Accounting Oversight Board and approved by the Securities and Exchange Commission.

The Audit Committee received the written disclosures and the letter from KPMG LLP mandated by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditors’ communications with the audit committee concerning independence, discussed with KPMG LLP its independence and considered whether the provision of non-audit services provided by KPMG LLP is compatible with maintaining KPMG LLP’s independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to our Board that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 30, 2018 for filing with the SEC. The Audit Committee has selected KPMG LLP as our independent auditor for fiscal 2019.

This report is submitted by the members of the Audit Committee:

Additionally, the Audit Committee must pre-approve any permissible non-audit services to be provided to the Company by the independent auditor. The policy also authorizes the Committee to delegate to one or more of its members pre-approval authority with respect to permitted services.

All audit, audit-related and tax services performed by KPMG LLP in fiscal 2018 and 2017 were pre-approved by the Audit Committee, which concluded that the provision of such services by KPMG LLP was compatible with the maintenance of that firm's independence in the conduct of its auditing functions.
